

KEY SURVEY HEALTH AND SAFETY POLICY STATEMENT

In accordance with local and federal law, including OSHA and the HSE, WorldAPP is committed to providing a safe workplace for its employees. Management of WorldAPP is vitally interested in its employees' health and safety. Protecting employees from injury or occupational disease is a major continuing objective. WorldAPP will make every effort to provide a safe, healthy work environment. All supervisors and workers must be dedicated to continuing to reduce the risk of injury.

WorldAPP, as employer, is ultimately responsible for worker health and safety. Supervisors are responsible to ensure that machinery and equipment are safe and that workers work in compliance with established safe work practices and procedures.

Workers must receive adequate training in their specific work tasks to protect their health and safety. Every worker must protect his or her own health and safety by working in compliance with the law and with safe work practices and procedures established by the company. It is in the best interest of all parties to consider health and safety in every activity. Commitment to health and safety must form an integral part of this organization, from the CEO to the workers.
